General Disclaimer

Nevada Energy Metals Inc. "Nevada Energy", has taken all reasonable care in producing and publishing information contained on this web site, and will endeavor to do so regularly. Material on this site may still contain technical or other inaccuracies, omissions, or typographical errors, for which Nevada Energy assumes no responsibility. Nevada Energy does not warrant or make any representations regarding the use, validity, accuracy, completeness or reliability of any claims, statements or information on this site. Under no circumstances, including, but not limited to, negligence, shall Nevada Energy be liable for any direct, indirect, special, incidental, consequential, or other damages, including but not limited to, loss of programs, loss of data, loss of use of computer or other systems, or loss of profits, whether or not advised of the possibility of damage, arising from your use, or inability to use, the material on this site. The information is not a substitute for independent professional advice before making any investment decisions. Furthermore, you may not modify or reproduce in any form, electronic or otherwise, any information, images and maps on this site, unless you have obtained a written permission from the management of Nevada Energy.

No securities commission or other regulatory authority has in any way reviewed the information on this website and Nevada Energy makes no representation or warranty to that effect.

Forward-Looking Statements

This web site contains forward-looking statements, including but not limited to comments regarding predictions and projections. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements. While Nevada Energy has taken reasonable care to ensure that information presented on this website is current, Nevada Energy expressly disclaims any responsibility to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

Third Party Links

Nevada Energy has provided links from this web site to several other web sites which are arms-length to the Company. The viewer should be aware that in linking to these outside web sites, they are leaving the Nevada Energy web site and that Nevada Energy is not responsible for the content of any other site.

Qualified Person

Alan J. Morris, P.Geo, is the Q.P. as defined in National Instrument 43-101 and based on standards established by the Canadian Institute of Mining, Metallurgy and Petroleum (CIM), who has reviewed and approved the technical contents of this website.
